

Approved Participating Retailers for Washington Gas Program Maryland Existing Home Program

Attention Customers and Contractors: Starting 2021, customers residing in Maryland can purchase eligible gas dryers, storage or tankless water heaters from approved Washington Gas retailers. Customers purchasing at retail must use installation services with the retailer or use installation services from the [Washington Gas EmPOWER Contractor Network](#) in order to qualify for an Existing Home Program rebate. If purchasing at retail, the proof of purchase must list the installation services as a line item.
